

# Barb tubing fitting N-3/4-P-19-MS

Part number: 15638

FESTO

## Data sheet

| Feature                                         | Value                                                              |
|-------------------------------------------------|--------------------------------------------------------------------|
| Nominal width                                   | 16.5 mm                                                            |
| Type code                                       | N                                                                  |
| Type of seal on screwed trunnion                | Sealing ring                                                       |
| Operating pressure for entire temperature range | -0.95 bar ... 16 bar                                               |
| Operating medium                                | Compressed air as per ISO 8573-1:2010 [7:-:-]                      |
| Information on operating and pilot media        | Operation with oil lubrication possible (required for further use) |
| Corrosion resistance class (CRC)                | 1 - Low corrosion stress                                           |
| Pneumatic connection 1                          | External thread G3/4                                               |
| Pneumatic connection 2                          | For tubing I.D. 19 mm                                              |
| Note on materials                               | RoHS-compliant                                                     |
