| Technical Data        |                                          |
|-----------------------|------------------------------------------|
| Housing               | Plastic, flame retardant                 |
| Total current         | max. 8 A                                 |
| General data          |                                          |
| Temperature range     | -20...+80 °C, depending on cable quality |
| Cables                |                                          |
| No./diameter of wires | 8× 0.34 + 2× 0.75 mm²                    |
| Wire isolation        | PVC                                      |
| C-track properties    | 1.5 Mio.                                 |
| Outer Ø               | 8.6 mm ±5%                               |
| Cable number          | 358                                      |
| Color (jacket)        | gray                                     |
| Jacket Color          | gray                                     |

|                                        |                    |
|----------------------------------------|--------------------|
| Temperature range (fixed)              | -30...+70 °C       |
| Temperature range (mobile)             | -5...+60 °C        |
| Bend radius (fixed)                    | 10× outer Ø        |
| Bend radius (moving)                   | 12× outer Ø        |
| Material (jacket)                      | PUR/PVC            |
|                                        |                    |
| Product article number of manufacturer | 8000-84149-3580500 |
